

ROSE SALE

On Friday 12 February ISH secondary student council organised a rose and cookie sale in the central hall.

The 240 roses and 250 cookies were donated by **COMMUNITY CENTRE THE HUNGRY MIND** and all the money was **DONATED TO HAITI**.

With the roses that weren't sold (about 25), we went to the Wijndaelerduin Centre (old peoples home in Loosduinen) on Friday at 5pm and gave them individually to the people who were around.

We wished them happy Valentine's Day from all ISH students and The Hungry Mind Community Centre..to be.
Small effort: big result!

On Thursday 18 Feb you will see people around the school interviewing for The Hungry Mind Community centre.
You may have received a promo booklet about The Hungry Mind Community Centre via your class reps.

We look forward to hearing your ideas on the community activity centre behind the school.
